# THOUGHTS FROM THE PRINCIPAL

We are continuing our theme of Being HIS Light in April and May at RVCS. For the month of April, we are looking at how light communicates different things about God in the Bible. We are specifically looking at James 1:17 which says, “Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows”. The 2nd graders did an amazing job of showing us how blessed we are. They showed us the many different ways in which we are so blessed by God. However, there is no greater blessing to us than the fact that we are HIS. Because we are HIS, it is now our responsibility and calling to bless others. It is our prayer that we are teaching our students how they can be a blessing to others by Being HIS light.

RVCS is going to focus on how light is used to describe salvation for the month of May. 2 Corinthians 4:6 says, “For God, who said, “Let light shine out of darkness,” made his light shine in our hearts to give us the light of the knowledge of God’s glory displayed in the face of Christ”. It seems fitting that this verse is the last verse for our theme. The light has defeated the darkness and how amazing and comforting it is! We know darkness and sin have already been defeated by our savior Jesus Christ. It is because of this that we are called to Be HIS Light!

## JAM THE GYM

JAM THE GYM was held on Friday March 17. This was an opportunity for students to share with family and friends on various projects they had been working and then come together and worship as a whole. We are thankful for everyone that was able to come to our open house and JAM THE GYM! It was a great time of learning, making memories, and worshiping our Lord and Savior!

# 1ST GRADE CHAPEL

Ecclesiastes 11:7 "Light is sweet, and it pleases the eyes to see the sun."

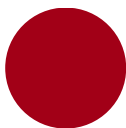

1st grade chapel today was all about letting your light shine.

\*They used a skit that even though your plans might turn out the way you wanted, you can let your light shine and find Joy in each day.

\*through a sparkler and a candle. The sparkler will fizzle out, but the candles light can stay lite for a long time. Have our Light shine and don't let it burn out.

\*And lastly shining through the darkness.

Thank you 1st graders for having your light shine and leading us in chapel this morning

# 2ND GRADE CHAPEL

James 1:17, "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows." The 2nd graders used this verse for their chapel. The students reminded us all of different gifts given from God. They used the examples of a flashlight, A flashlights does not work without its batteries. Just like our gifts do not work if we do not use them for God's glory. Thank you 2nd graders for reminding us to use the gifts God had given us for His glory.

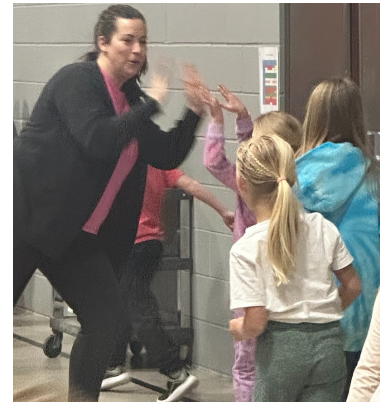

# Making Friends Through a Good Book!

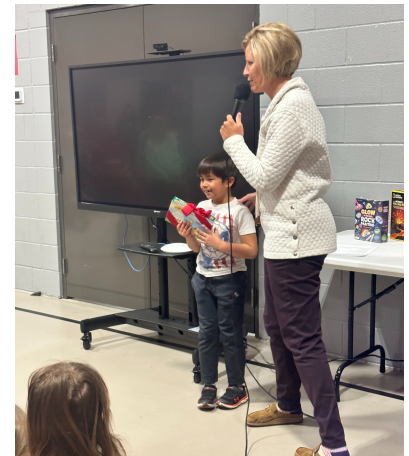

## Group Book Reads

March 27: Making Friends is an Art by Julia Cook

April 3: My Mouth is a Volcano by Julia Cook

April 10: Teamwork Isn't My Thing, by Julia Cook

April 17: It's My Way or the Highway, by Julia Cook

# Geography Bee

On Friday, April 14 the final round of the middle school Geography Bee was held. The top two winners from each of the sixth through eighth grade classes competed in the final round. Our 2022-23 winners were:

- 1st place – Marshal Kelderman
- 2nd place – Harper De Groot
- 3rd place – Ryker Kooima

Other finalists included Kase Hoekstra, Paxton Vander Ziel, and Isaac Kats. Congratulations to all of these students for making it to the final round of the competition!

# 3rd Graders Coming Together

We had a wonderful time meeting our 3rd grade friends from the Netherlands and Community school April 18. We first listened to police officer Jordyn and his K9 Gus talk about their jobs. Then we split into groups and to see how many puzzles we could put together in 50 minutes. The 3rd graders did 9,523 puzzle pieces together. With 120 students, that's roughly 80 pieces per student. After the excitement of the puzzles, we enjoyed a snack. Thanks to all who gave to this community project! Our furry friends will appreciate it too.

# Math Bee

Students from 6th, 7th, and 8th grade have recently participated in Math Bee's at Northwestern College and Dordt University. 6th grade participants were: Tenley DeGroot, Harper DeGroot, Isaac Postma, Ryker Kooima, and Jacob Vis. 7th Grade participants were: Damon Eshuis, Riley Dibbet, Grady VanZee, Leonardo Carrillo, and Jaidyn Blankespoor. 8th grade participants were: Jonah Blankespoor, Carson Smith, Braden Hettinga, Oliva Engbers, and Jenessa VanRoekel

# Information Needed for the 2023-2024 School Year

---

1. All students entering 7th grade must have the Meningococcal vaccine AND a Tdap booster before the first day of school. They cannot start school without those vaccines.
  - Call your healthcare provider to ask if your child still needs to get these vaccines
  - A great time to get these vaccines is when kids go in for wellness and sports physicals in the summer
  - To be valid for school, the Meningococcal vaccine and the Tdap booster must have been given after age 10
  - Bring an updated Iowa Certificate of Immunization from your provider to your child's school
  
2. Students entering 7th & 8th grades (23-24) who plan on participating in sports are required to have an Athletic Physical.
  
3. Incoming Kindergarten students must have
  - a. A physical if they did not have one for preschool.
  - b. Updated immunizations if needed.
  - c. Dental exams.
  
4. Incoming Preschool students must have updated immunizations.
  
5. Any student with a dietary need/restriction **MUST** submit a Diet & Modification Request Form prior to the first day of school. This form only needs to be updated if dietary needs change.
  
6. Forms are found on the website: Parents-Office Handouts  
It is not too early to schedule these appointments with your health care provider. You may submit them to the office at any time but we should receive them by the end of August at the latest.

# Arrows Update

As ARROWS begins to wrap up our fundraising and fellowship for the 2022-2023 school year, we want to thank you all for your generous support of our organization and for taking part in the activities that are organized to build community around the students, teachers, staff, and administration at Rock Valley Christian.

Since our last update, ARROWS has hosted Muffins with Mom and Donuts with Dad (pictures below), offering an opportunity for parents or other special adults in students' lives to be part of the school day in a fun way. As this update comes out, we will have also hosted the annual Jog-a-Thon, trying out a new-to-us format this year that moved it from an evening event to a school day event. We appreciate your patience and participation as we tweak this event, and we hope students enjoyed their time together running outside in an effort to raise money for our ongoing playground equipment fund. We will also be treating faculty and staff to a variety of food and surprises for Teacher Appreciation Week, which happens this year from May 8-12. Finally, we look forward to our first RVCS yearbooks being finished and delivered!

One of the things our ARROWS Executive Committee looks forward to each spring is our final meeting to distribute funding for educational needs and wishes around school. We send out a request form to all teachers and staff in April, and we spend our May meeting allocating our funds to the various requests. We also contribute annually to a CD account designated for future playground equipment updates. We take joy in reading about all of the ways that our faculty staff support and provide opportunities for our students, and we are thankful for our role in helping them fulfill that task.

Again, thank you for all of the ways that you have supported ARROWS throughout this past year, giving of your time and money to provide students with a vibrant Christian education.

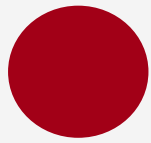

As we look forward toward summer, here are a few things to keep in mind:

- Continue bringing your pop cans to the shed next to the bus barn! We appreciate the many donations toward this project.
- At registration this summer, you will be asked to vote for new executive committee members and also to sign up for an ARROWS event for the 2023-2024 school year.
- There will again be an opportunity to order school supplies through ARROWS for next year—keep an eye out for weekly announcements on that fundraiser.
- We will again be hosting a meal on the night of our back-to-school open house in August. Stay tuned for details.

We praise God for the ways that He has provided through you to bless the RVCS community. Happy summer!

# Welcome to RVCS

NAME AND GRADE YOU ARE TEACHING AT RVCS (WHAT POSITION WILL YOU HOLD)?

- SAMANTHA POLLEMA
- 4TH GRADE TEACHER

WHERE DO YOU LIVE? ANYTHING YOU WOULD LIKE TO SHARE ABOUT YOUR FAMILY?

- I LIVE IN HULL, IOWA
- MY FAMILY CONSISTS OF MY PARENTS, WAYLON AND MELISSA, AND MY TWO BROTHERS, CHANDLER AND CARTER, WHO IS MARRIED TO JODI (VER BURG), AND THEY HAVE TWO CHILDREN, MARLEE AND MATTIAS.

WHERE DID YOU GRADUATE AND WITH WHAT DEGREE? WHY DID YOU DECIDE TO BE A TEACHER?

- I AM ANTICIPATING GRADUATING FROM DORDT UNIVERSITY IN MAY WITH A BACHELOR OF ARTS DEGREE IN ELEMENTARY EDUCATION AND SPECIAL EDUCATION (K-12).
- I CHOSE TO BECOME A TEACHER BECAUSE I HAVE A PASSION FOR HELPING STUDENTS LEARN AND GROW IN ALL AREAS OF LIFE.

WHAT ARE YOUR HOBBIES? / WHAT DO YOU LIKE TO DO IN YOUR SPARE TIME?

- IN MY SPARE TIME, I ENJOY READING, SPENDING TIME WITH FRIENDS AND FAMILY, OR TAKING MY DOG FOR WALKS OUTSIDE.

WHAT IS YOUR FAVORITE PART ABOUT TEACHING? YOUR LEAST FAVORITE?

- MY FAVORITE PART OF TEACHING IS BUILDING RELATIONSHIPS WITH STUDENTS, AS WELL AS BEING ABLE TO WATCH STUDENTS GROW AND FLOURISH WITHIN THEIR LEARNING IN AND OUTSIDE THE CLASSROOM.

WHERE DO YOU ATTEND CHURCH? DO YOU HAVE A FAVORITE VERSE TO SHARE?

- I AM A CURRENT MEMBER AT 1ST CRC IN HULL, IOWA.
- MY FAVORITE BIBLE VERSE IS PROVERBS 3: 5-6

WHAT DOES CHRISTIAN EDUCATION MEAN TO YOU?

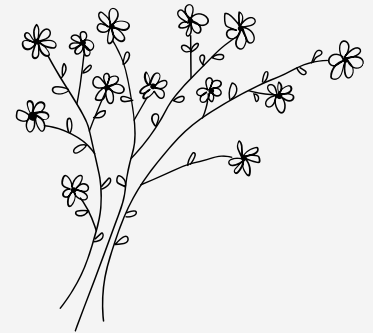

- TO ME, CHRISTIAN EDUCATION MEANS HAVING THE OPPORTUNITY TO IMPLEMENT A BIBLICAL FOUNDATION INTO EVERYTHING YOU DO INSIDE THE CLASSROOM SO THAT ALL STUDENTS CAN GROW UP KNOWING, LOVING, AND SERVING CHRIST IN ALL THAT THEY DO AND SAY.

Hello! My name is Alyssa Geetings. I am so excited to join the Rock Valley Christian School community as a second grade teacher next fall! I am originally from Pella, Iowa, and have fallen in love with northwest Iowa during my time in college. I will earn a Bachelor's Degree in Elementary Education with a Reading Endorsement from Northwestern College in May. I made the decision to become a teacher because it grants me the opportunity to utilize my gifts to serve the Lord and those around me. I am so excited to have the opportunity to cultivate student growth spiritually, academically, and socially! What a blessing it is to be able to integrate my faith into all areas of my teaching! I am excited to help students discover their role in the Kingdom of God and how they can use their unique gifts to glorify the Lord. I attend New Hope Evangelical Free Church in Orange City. My favorite Bible verse is Galatians 2:20 which reads, "I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself for me." What a beautiful reminder of this gift and our calling as Christians. In my spare time, I love spending time in nature, being with friends and family, painting, and baking!

# Welcome to RVCS Continued

My name is Jennifer Kuipers and I am very excited to be teaching Art at RVCS next year! Teaching and making art has been a passion of mine for many years. I graduated with an Art Education degree from the University of Sioux Falls and have taught art from 2014-2022 at Sioux Falls Christian and Sheboygan Christian. I decided to become an art teacher because I wanted to be able to help others experience the same joy I've experienced in creating. My favorite part of teaching is seeing students bring their own unique ideas to the projects we work on. Teaching art in Christian schools has allowed me to invite my students to discover how they reflect God's image as they create. I like to challenge students to find ways to create beauty out of mistakes, as we remember how God doesn't abandon us but continues to work in us, His messy people. My hope is that my students will build confidence in their skills, find joy in the process, and experience awe and wonder in God as our creator. Though this will be a new position for me at Rock Valley Christian next year, I am not completely new to RVCS, as I have had a wonderful experience this past year teaching Enrichment & STEM. I live here in Rock Valley with my husband, Peter, who teaches music at RVCS. We have a daughter, Millie, who will turn one in June. When I'm not teaching, I love to ride bike, hike, play board games, and go on road trips with my family. Of course, I also love doing anything creative: I especially enjoy painting and working on the pottery wheel when I get the chance. As I look forward to my new role at RVCS helping students live out their calling to create, Ephesians 2:10 comes to mind: "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

## Heartfelt Goodbyes

We want to thank 7 of our wonderful employees for their service at Rock Valley Christian. Rock Valley Christian wishes you well in your future endeavors. Please wish our employees well.

- Myrna DeVries is retiring this year after 22 years of service
- Holly Haan will be saying good bye after 2 years of service. Mrs. Haan will be enjoying her time with her family.
- Keana Bishop will be saying good bye after 7 years of service. Mrs. Bishop, her husband, and family will be enjoying their new addition to their family.
- Hannah Wielinga will be saying good bye after 1 year of service. Hannah and her husband will be enjoying their new addition to their family.
- Michaela VanSurksum will be saying good bye after 10 years of service. Michaela will be starting an adventure into a new career opportunity.
- Becky Dibbet will be saying good bye after 5 years of service. Becky will be starting a new career adventure.
- Joe Dirksen will be saying goodbye after 2 years of service. Joe will be joining Hull Christian next year.

# Rock Valley Christian School

## ESA & Tuition Information 2023-2024

Iowa's new Education Savings Account (ESA) program provides families with an exciting new opportunity to enroll students at Rock Valley Christian School

### Student First Act (ESA)

The Student First Act, commonly known as the ESA, has passed in the state of Iowa. This law allows for parents to create an Education Savings Account. This will have an impact on some of our families already next year. This money can be used to assist in tuition or other qualifying expenses concerning education. We have sent out an information sheet already, but if you would like one or have any questions with this law you may contact Marcus De Jager at [marcus.dejager@rockvalleychristian.com](mailto:marcus.dejager@rockvalleychristian.com). There are still certain rules of this law that have to be finalized so we will keep you up to date on the most current information that we have. We want you all to know that our board is currently working and discussing how this will impact Rock Valley Christian. We WILL stay true to our mission statement here at RVCS through this all. We ask that you continue to pray for the board as they have discussions on the current and future impact from this law on RVCS.

## How to Apply for your ESA:

The application will open this spring at <https://educateiowa.gov/pk-12/education-savings-accounts>

### Education Savings Account Income Qualifier 23-24

Family Size	Adjusted Gross Income 300%
2	\$59,160
3	\$74,580
4	\$90,000
5	\$105,420
6	\$120,840
7	\$136,260
8	\$151,680

## If my Family does qualify for the ESA Program, How can I apply?

- You must apply for an ESA (directly with the state of Iowa) no later than June 30, 2023 for the 2023-2024 school year. Details on how to apply will be provided soon. RVCS will offer workshops and appointments to help families fill out applications as soon as more information from the state is available.
- If you miss the state deadline (June 30, 2023), ESA funds **will not** be available to you for the 2023-24 school year. NICSTO and Tuition Assistance funds are readily available.

## Who is eligible for an ESA? When does it begin?

The program begins for the 2023-2024 school year, with per pupil funding being **\$7,635 per student**. Funds are deposited into an ESA each year until students graduate or complete high school or turn 20 (the money cannot be used for college). Applications are due yearly by June 30.

### Year 1 (2023-2024)

- All Kindergarten students
- All students transferring from a public school or homeschool
- Christian school students at or below 300% of the federal poverty level

### Year 2 (2024-2025)

- All Kindergarten students
- All students transferring from public school or homeschool
- Christian school students at or below 400% of the federal poverty level

### Year 3 (2025-2026) & Forward)

- All K-12 students in Iowa, regardless of income

## Does tuition cover all the cost to educate our students?

No. Tuition typically covers 55-60% of the entire budget. The other portion of the budget comes from fundraising, fair share, foundation, and a few other outside sources.

## What will happen with the Fair Share Plan?

Fair Share Plan has been a feature of the relationship between Rock Valley Christian and area churches for many years. The board and school leadership have been in conversation with churches and have received feedback that they are supportive of and thankful for the Fair Share Plan and want it to continue and remain strong; they believe that it is important for families to also contribute toward the cost of Christian education; and they advised as little change as possible as we "ease in" to a new opportunity with ESAs.

## What will happen with NICSTO, multi-child discount, and alternate revenue?

Nicsto will remain in place and the multi-child discount will continue for the 2023-24 school year for all students.

## What can ESA funding be used for?

There is a list of eligible uses for ESA funds, but tuition and fees at nonpublic school is at the top of the list, and it is a requirement of the bill that the funds must **first be used for tuition** before any other qualified educational expenses.
