September 14-18

Questions Of the Day

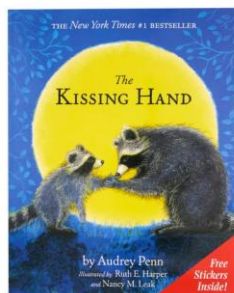

There is a lot of social learning that happens in preschool. This week we will learn about how we make & keep friends & how we can be a part of a group. These are lessons that will continue throughout our school year!

Monday: Would you like to play with this truck?

Tuesday: Can you name a friend you have at school?

Thursday: What do you like to do with your friends?

Friday: What should you do when you and a friend want the same toy?

I know that many of you have read this book to your child, but I wanted to pass on as a great resource if your child has anxiety about school. We have read it as we talk about different feelings students may have in school.

Announcements

- We have begun introducing letters of the alphabet. Each week I choose a letter or 2 associated with something we are learning about. We introduce the upper & lowercase letter, as well as the sound. This will allow us to get to most of the letters by Christmas & then review again the 2nd semester adding the writing component then.
- There will be NO school on Thurs. & Fri, October 1 & 2.
- I missed announcing a couple of birthdays last week. Happy Birthday to Sedona Smith! She turned 4 on Sep. 7. Happy Birthday to Danica Vis! She turned 5 on Sep. 11.
- There is still time to order books. Please have your online orders placed by Tues the 15th.
